## **RE: Endorsement for EcoMax Series skimmer**

Dear Customer,

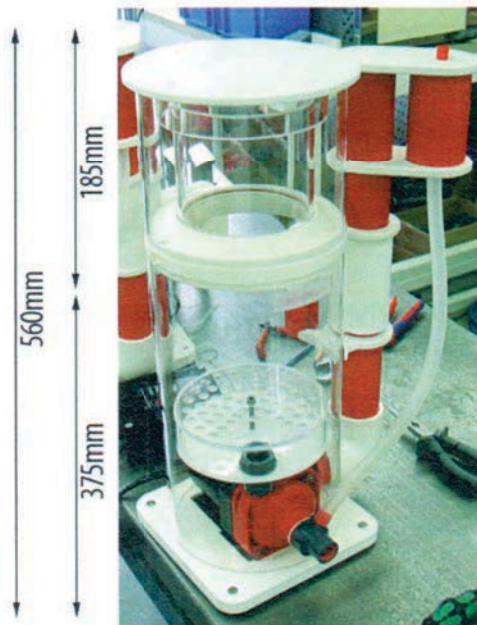

Last year, I received a request from Extra Bright Lighting to develop a new EcoMax skimmer 200 and 250, which was evolved from Mini Bubble King 200 VS13 with RD3 Mini Speedy and Bubble King® DeLuxe 200 internal + RD3 Speedy. Such modifications would be possible to improve the performance and function of skimmer. We agreed to produce the new designed skimmer exclusively for Extra Bright Lighting. The material and quality of skimmer are equivalent to Bubble King® skimmer, which is " 100% Made in Germany ". It is our honour to grant my endorsement for the launching of EcoMax series skimmer.

Skimmer-series Bubble King® EcoMax 200 for small aquarium-grounds. For internal installation in filter-systems. This is a space-saving for internal installation in cramped-cleaning equipment. Suitable for particularly fast, effective, and wet skimming. The so-called sledgehammer, the universe of all solution, for many fishes and aquairums with strong contamination.

Skimmer-series Bubble King® EcoMax 250 for aquarium-grounds. For internal installation in filter-systems with limited space. For internal installation in filter systems. Suitable for particularly gentle, effective, and dry skimming, which is perfect for reef tanks.

EcoMax skimmers are equipped with a Red Dragon® 3 Bubble King® skimmer pump from Royal Exclusiv®, is integrated in the skimmer. A continuously height adjustable telescopic tube is provided to regulate the water level. The swivelling water outlet at the side has a tube diameter of 63 mm.

EcoMax skimmers are tested at the Royal Exclusiv® testing room, under the supervision of Royal Exclusiv® and the technical data are recorded.

## Ecomax 200

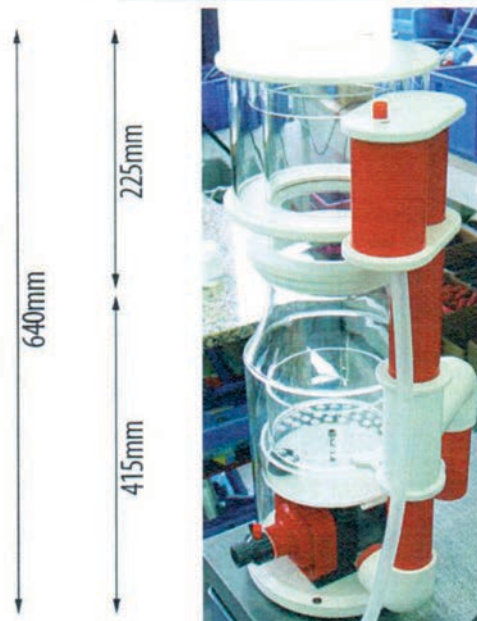

for aquariums up to 1.000 liter

**hard facts ECOMAX 200 internal:**  
 adjustable Red Dragon® 3 Mini Speedy skimmer pump  
 50 Watt 1.500 l/h, adjustable 15-50Watt  
 Delivery rate: from 150 to max. 1500 l/h air-intake //  
 from 300 to max. 3000 l/h water-intake  
 motor speed adjustable: 400-4000 1/min  
 Base plate: 22 cm / height ~ 560 cm

**Technical data ECOMAX 200 internal:**  
 Water level: ~ 180 mm up to ~ 250 mm  
 Weight skimmer: 9 kg inclusiv pump  
 Dimension skimmer: 290 mm wide / 290 mm length /  
 ~ 560 mm height / outlet height 380mm

20-30mm for the removing of the whole cup  
 40-50mm for opening the lid

Nozzle with ozone & air plug

## Ecomax 250

for aquariums up to 1.500 liter

**hard facts ECOMAX 250 internal:**  
 adjustable Red Dragon® 3 Mini Speedy skimmer pump  
 50 Watt 1.500 l/h, adjustable 15-50Watt  
 Delivery rate: from 150 to max. 1500 l/h air-intake //  
 from 300 to max. 3000 l/h water-intake  
 motor speed adjustable: 400-4000 1/min  
 Base plate: Ø 25 cm / height ~ 640 cm

**Technical data ECOMAX 250 internal:**  
 Water level: ~ 180 mm up to ~ 250 mm  
 Weight skimmer: 11 kg inclusiv pump  
 Dimension skimmer: 250 mm wide / 300 mm length /  
 ~ 640 mm height / outlet height 440mm

20-30mm for the opening of the screw connection  
 40-50mm for opening the lid

Nozzle with ozone & air plug

Thank for your concern.
